

650GT ABS

The Grand Tourer

Go the grand distance in a sporting spirit

Whether it's leaning into endless apexes, inhaling craggy coastal corners or devouring day-long distances, the 650GT is ready and waiting.

Adding to its grand-touring arsenal is a flexible 650cc parallel-twin engine; relaxed ergonomics; large, height-adjustable sports touring screen and the availability of optional hard panniers for those last-minute getaways.
